Please see the urgent request below for Monday, April 16, 2012 (11:30 a.m.- 12:30 p.m.). I've asked Crystal to block Nancy's calendar. Please let me know if Benita Best Wong and Palmer Hough is available, as well as anyone else who needs to be invited.

Also, please note the time line of the talking points (COB today). Thanks! Sonia

Please see the draft event plan attached below.

As Murphy would have it, I got served up a Blue Screen of Death and my laptop has been in the shop for a couple days. I haven't been able to update the event plan with this additional info:

- EPA sr. staff at the event
- EPA supporting staff
- Additional 30 min Q&A with staff and sportsmen (12:00 - 12:30)

Please plan on your AA or DAA attending and a few staff members to help with the Q&A - the sportsmen's issues will cover the topics in the event plan which is mostly focused on the Bristol Bay issue. So I'm thinking Nancy, Lek, Janet, Benita. Both Janet and Benita recently met with a group of Women Leaders in the Outdoors including two women who will be in attendance at Monday's event.

Also, Jim Pendergast recommended we include Palmer Hough of the Wetlands Division and Jeff Frithsen with ORD. Regardless, I'll leave it up to you guys as who's best to bring to the table... WOUS is certainly key as well.

I will need talking points on the agenda topics and background on the Bristol Bay assessment by COB today. I saw a presentation recently by R10 on the assessment that looked helpful, but I don't have a copy. I need to get all these docs to the Administrator by Thurs morning - hence the rush.

Thank you!!

Total current participants: 40

Doretta/Sherry: please get this participant list to security. I split the group so half arrive at the North Lobby and half through the South Lobby. Please confirm that's how security will process the guests.
